Towed by Toad
by Jashar Awan

Ups and Downs: A Book of Emotions
by Mike Wohnoutka

Reading Readiness Tips:

Towed by Toad enhances print motivation with alliteration and rhyming that is appealing to young readers. Print motivation is the interest in and enjoyment of reading. With younger children, talk about the message that everyone needs help sometimes. This will interest them in the messages of other books. With older children, note and strike up a conversation about anything they are interested in in the story.
